Style Dance Verification

Dear Clubs,

Before a dance competition involving a Style Dance it is mandatory to present FARS with a **Verification Certificate** to confirm:

1. The rhythms used
2. The number of BPM of the Compulsory Dance Sequence(s)

FARS has arranged for one source of verification to be used for all skaters' music and this has been confirmed as acceptable by CEPA/FIRS. For consistency, all skaters **MUST** use the FARS arranged verification procedure.

Please can skaters email their music to president@fars.co.uk , the email **MUST** include the information below:

1. The style dance music in MP3 or MP4 format.
2. The exact start and finish timing of the compulsory dance section
3. The rhythms of all tunes being used

The verification letter will be emailed back to the originating email address.

The charge for this service will be £10, payment must be made via BACS only to the FARS account using the information below:

Reference: SDV_<FARS NUMBER> **Please make sure to use the correct reference**

Account Number: 66775132

The £10 payment is a one off fee per skater, this will include any changes needed to obtain the Verification Certificate.

Regards,
