From: Head of Figures & Free – Ben Prior | Email: HoFF@fars.co.uk | Date: 21 Mar 2018

To all clubs with skaters in the April Figure and Free A class competition events,

RE: FRIDAY EVENING PRACTICE

Date : Friday 6th April 2018 - 17:00 to 21:00

Venue : Arena Sports Kettering, Thurston Drive, Kettering, Northants, NN15 6PB

In order for skaters to familiarise themselves with the floor before the competition, FARS has secured practice time for skaters competing in all A class Free Skating events. **The cost of the practice session will be £5 per skater** with money to be paid at the Door Entry Desk on the Saturday. Sessions will run from 17:00 to 21:00 and will be split into time slots allocated by club. Please see the list of time slots and club names below:

Time Slot	Club Name	# Skaters
17:00 – 18:00	Retro Skate	18
18:00 – 19:00	Bolton, Waveney, Evolution & Ipswich	17
19:00 – 20:00	Durham District, Wyken, Rollerworld, Lincoln, Spectrum & Tees Valley	17
20:00 – 21:00	Ely, Empress, Momentum & Leicester Granby	16

Programme music will be played back to back with the order of skating being made available at the start of the practice session. In order for this to run smoothly we would ask that all clubs urgently send a list of the skaters who will be attending this practice session by email to Hoff@fars.co.uk so that we can prepare the music accordingly. Please use the form on the following page for this (An editable word document version can be downloaded from here:

http://www.fars.co.uk/documents/Events/2018/apr-ff/Practice_Form.docx).

Please note that time during the practice sessions is very tight so clubs must ensure that the correct skaters are ready to skate when their music is played. We will not have time to stop and start where people are not ready so please ensure that skaters are well prepared.

I hope that you all have a good practice and wish you the best of luck for your competition.

Kind regards,

Ben Prior, Head of Figures and Free
