To all FARS members

ROLLART SEMINAR

I am delighted to announce that FARS will be holding a RollArt related seminar that will cover RollArt concepts for Freeskating as well as Judging under the new RollArt system. These seminars will re-examine basic RollArt fundamentals and provide in-depth reviews of performances from real international RollArt events from last year.

Date: Sunday 28 April 2109

Time: 10:00 – 15:00

Discipline: Freeskating

Venue: Kettering Conference Centre, Thurston Dr, Kettering NN15 6PB

Presenter: Ben Prior

This will be open to all FARS members aged 13 and above.

Ben will cover the fundamentals of RollArt in relation to Freeskating. Performances from last year's 2018 German Cup will be reviewed in detail to explore how they were handled under RollArt and to assist skaters and coaches in building better RollArt ready programs. This seminar will follow more of an interactive workshop model with plenty of time for questions and practical exercises. The presentation is expected to take approximately 2 hours with the remaining time available to work through questions and real world examples with members. Members of the Figures and Free team will also be in attendance to assist with any questions.

To assist with cost to hire the room, there will be a charge of £10 per member and £5 for under 16s. This is another great opportunity to have some practical interaction that enable us all to embrace RollArt and help build our knowledge.

To reserve you place, please email HOFF@fars.co.uk, payment can be made on the day with cash
