

The Federation of Artistic Roller Skating

From: FARS President – Nick Loader | Email: president@fars.co.uk | Date: 09/05/2015

Dear Skaters and Coaches,

Thank you for your patience whilst we work out which is the best way to run the June and July championships for the skaters.

The change in date has caused a number of problems for skaters and we have worked hard to find resolutions for these problems but unfortunately we haven't been able to resolve it for every skater.

I can now confirm which events will be in each championships.

On **6/7th June at Haywards Heath** we will run all Cadet and Youth Championships, we will also be running the Junior Ladies Solo Dance and Masters A and B competitions. Moving these events back to June has made the days extremely long, to give us a buffer in case of any over runs or issues during events we have taken the decision to close all marks at the June Championships. This is absolutely not ideal but we don't have any choice.

The running order will be communicated shortly but the finish on both Saturday and Sunday is very late, so we have decided to adopt the international style and display the results at the end of each competition, this will allow skaters and coaches to leave if they wish. (If you can stay it would be a benefit to the skaters)

On **4/5th July at Haywards Heath** we will be running the Junior Mens Solo Dance, Junior Ladies Free Skating, all Senior championships, all Classic competitions and Quartets championships. The running order for the July championships will be put together to help certain members able to attend. We will communicate the running order shortly, but I can confirm there will be no practice on the Friday evening.

Even with the above changes I am very aware that certain skaters will still be impacted and in some cases will not be able to attend the championships, I sincerely apologise to these skaters, we have tried to accommodate everyone but in the end it was just not possible.

I can assure all FARS Members myself and the board will not allow this to happen again next year with our championships.

Kind Regards,

Nick Loader

FARS President
