

Congratulations Lochaber Artistic Skating Club!

25th Anniversary on 6th May 2012-05-04

Congratulations to Frieda Alexander who has been at this club since it started 25 years ago and has seen the club represented in National, International and World events over the years.

The club is as strong today as it has ever been and if you're in the area on Sunday 6th May pop along and join in the celebrations between 1pm and 4pm at the Nevis centre Fort William.
